Why Business Unlimited?

We've been listening to small businesses, and we've learned a lot about how different you all are – different beginnings, a different purpose, and a different set of worries. Which means a one-size-fits-all plan just won't cut it.

That's where Business Unlimited is different.

Business Unlimited is our exciting new mobile package designed specifically for small business customers, giving you:

Pricing peace of mind

Bells and whistles eat into profit.
Pay only for what you need

Personalisation

Choose the data and roaming preferences that fit your lifestyle

Future proofing

Opt to be 5G-ready for faster internet and more efficiency

How it works

1

Pick your perfect Plan

Our Plans are designed to match your work and lifestyle. All our Plans include unlimited data, so that's one less thing to worry about. Whether you want an inexpensive but reliable connection, or the fastest speeds possible for swift downloads, there's a Plan for you.

2

Choose your Add-Ons

Personalise your Plan with Add-Ons that make your life easier and your business more productive and profitable. We have some great Add-Ons available right now, and we'll be expanding them further in September.

3

Get set up

Chat with your Vodafone Partner to get set up on a Business Unlimited Plan. They'll also be able to advise you on the package that best fits your budget and needs if you need help.

Business Unlimited Plans
